IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Application of: Richard Kroczek

Confirmation No.: 7620

Application No.: 09/509,283

Group Art Unit: 1644

Filed: August 11, 2000

Examiner: Ouspenski, I.

For: ANTI-HUMAN COSTIMULATING T-CELL POLYPEPTIDE
MONOCLONAL ANTIBODIES Attorney Docket No.: 7853-215

STATEMENT OF SUBSTANCE OF INTERVIEW UNDER 37 C.F.R. § 1.133

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

In response to the Interview Summary dated May 22, 2006, Attorneys for Applicant submit this Statement of Substance of Interview in connection with the telephonic interviews of May 17, 2006 and May 18, 2006 between Examiner Ilia Ouspenski and Applicant's representative, Muna Abu-Shaar, in connection with the above-identified application.

During the telephonic interviews, Applicant's representative sought the Examiner's permission to file an Amendment under 37 C.F.R. § 1.312 to remove the term "mouse," which lacks antecedent basis, from the last clause of claim 86. In response, the Examiner indicated that this amendment would be permissible and did not represent new matter. Accordingly, Applicant filed an Amendment under 37 C.F.R. § 1.312 concurrently with payment of the Issue Fee on May 22, 2006.

Applicant respectfully requests entry of the foregoing remarks into the file history of the above-identified application. It is believed that no fee is due in connection with this Statement;

however, in the event any fee is required, please charge the required fee to Jones Day Deposit
Account No. 50-3013.

Respectfully submitted,

Date: June 22, 2006
